International Application Number: PCT/NL2005/000249  
International filing date: 04 April 2005 (04.04.2005)  
US Application: 10599642  
Title Invention: Glans-stripper, apparatus to hold the tucked up foreskin at the root of the erect penis.

Including this page this letter contains a complete claims listing with twenty (20) claims on three (3) pages making four (4) pages in total.

Date (year-month-day): 2007-09-20

Dear Madam/ Sir,

With this letter I send you amendments to the claims. This listing of claims will replace all prior versions, and listings, of claims in the application.  
Claims 1-10 have been cancelled and Claims 11-20 are new.  
As far as I know there has not been an Office action yet and therefor I consider these amendments to be preliminary amendments.

Sincerely yours,
